

**SPECIAL SESSION**  
**VIRTUAL LUNCH & LEARN SERIES:**  
**SHARE, LEARN, AND SUSTAIN OUR HIV MOVEMENT**

We unapologetically interrupt our regularly scheduled Virtual Lunch & Learn Series to convene a special panel conversation in **FINDING JUSTICE IN HEALING**. We are experiencing an outcry of the hurt, pain and minimalization of our Black/African American communities as a result of systemic, institutional and structural racism and while we fight for racial justice, we must also work toward whole-body justice through healing.

Please join us as our **Black/African American Community (BAAC) Task Force Co-Chair Danielle M. Campbell, MPH** guides a panel conversation in **FINDING JUSTICE IN HEALING**.
